

CAROMA

CARE PLUS SINK MIXER HANDLE ASSEMBLY

INSTALLATION INSTRUCTIONS

Replacing Handle

- 1) Carefully remove plug (4) before using a 2.5mm allen key (3) to loosen grub screw (2) and remove handle (1) from mixer cartridge stem (5).
- 2) Fit new handle (6) taking care that it is pushed fully onto cartridge stem (5), then tighten grub screw (7) using allen key (3). Fit plug (8).
