Contura Freestanding

9.03.1

Solid Surface Bath

Nominal Size: 1700mm x 760mm x 584mm

Contura Freestanding

The **Contura Freestanding** solid surface bath creates a striking focal point in any bathroom. Crafted from solid surface, this bath exudes warmth and is soft to the touch making it ideal for an indulgent and relaxing soak. Generous dimension and dual reclined ends make it the ideal bath for two. Combine with Caroma Contura basins for a beautiful timeless bathroom.

1700mm long x 760mm wide x 584mm deep – standard Code No.C07W

Durability: Solid Surface is an advanced composite material consisting of natural stone and an acrylic resin. As stone is a natural product there will be slight variations in the finish under certain light conditions. We believe these natural variations add to the uniqueness of each bath's character.

Waste Outlet: Supplied with a pop-up waste which is covered with a solid surface cap.

Bath Capacity: 415 litres.

Installation: The bath is suitable for freestanding bath installations. Refer to installation instruction for further information.

Colours: White only.

Dimensions: All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
