

CAROMA

Riviere Freestanding Bath

The Caroma Riviere Collection features an elegant design that brings together heritage and modern style. Designed to complement a range of interior styles, including coastal, traditional, farmhouse and Hamptons, the collection enhances every space with graceful contours and refined craftsmanship.

The collection includes sanitaryware, tapware, showers, baths and accessories for the bathroom, kitchen and laundry, making it easy to create a cohesive look throughout your home. Each piece is crafted from high-quality materials and offered in a range of durable finishes.

For just a touch of traditional style, you can also mix and match pieces with other Caroma collections. Coordinated colours, styles and proportions allow you to customise your home with confidence.

Durability:

Sanitaryware grade acrylic resists chipping, will not rust and has excellent heat retention properties. Its high gloss finish has natural slip resistance. Minor scratch marks can be removed with gentle metal polishes, such as Brasso.

Waste Outlet:

The reinforced waste outlet is suitable for 40mm diameter standard waste assembly (not supplied).

Bath Capacity:

Riviere 1500 - 204 litres; Riviere 1700 - 246 litres

Installation:

The bath is suitable for freestanding bath installations. Refer to Installation Instruction for further installation information.

Colours:

White (W) and Matte White (MW).
