

VJet™

TŪROA RAIL SHOWER

VJet™ puts the shower experience in your control. Two waterways converge in a chamber behind each nozzle to create a spinning vortex that seamlessly changes speed as you adjust the slider. Resulting in a smooth transition from a firm invigorating spray, to a gentle spray, and everything in between - uniquely tailored by you.

CONSTRUCTION: 304 Grade Stainless steel and plastic
CLASSIFICATION: Suitable for mains/high pressure only
